

## We believe...

that engagement, when done well, improves social, environmental and economic outcomes.

# At IAP2 Australasia, we are about strengthening engagement

# 12,000+

member practitioners  
and organisations

**As a member, you will be part of the largest IAP2 affiliate in the world and be provided with a direct link to over 12,000 member practitioners and organisations across the region.**

- **Consultancy Register** – new member initiative for our Corporate, Small business and Sole practitioner members. The go-to place for those seeking out engagement services in the Australasia region and a convenient profiling and marketing tool for our members
- access our online **Speakers Bureau** of talented minds in the community and stakeholder engagement sector
- member-only access to free and discounted **professional development courses, webinars** and exclusive invitations to **networking events**, including our flagship event the **IAP2 Australasia Conference**
- member only resources / our growing library of **free online resources, tools, case studies, research, and templates**
- sector and subject specific resource hubs including the newly launched **Local Government Hub** and **Infrastructure Hub**
- free access to the **Engagement Methods Tool**, IAP2A's online destination for practitioner approved engagement methods
- professional recognition – differentiate yourself from your peers through the **IAP2 Australasia post-nominals**
- access to 'Member of IAP2 Australasia' **logo** to use on your website, email footers, stationery, and social networks
- stay up to date with regular engagement updates and information, upcoming training and events, and exclusive member services, including our monthly e-newsletter **Engagement Matters**
- participate in our **new mentoring program**, developed to strengthen your engagement skills and enhance your professional development
- be active in our community – participate in IAP2A committees, working groups or **Communities of Practice** and provide a voice for the interests of the engagement professionals community in Australia and New Zealand
- **IAP2A Young & Emerging Practitioners** – access a diverse community of graduates, young and early-career practitioners for support (and a whole lot of fun) during the early stages of your career
- Local Networks – learn from your peers, share your ideas, and build your network by getting together with your Local Practitioners with support from the **IAP2A Local Grants Fund**
- Scholarships and Awards – stand out from the crowd with various member honours and scholarships awarded throughout the year including the **Nurture Engagement scholarship program** and the annual **Core Value Awards** recognising excellence in public participation and community engagement
- amplify the voice of the profession through our advocacy and policy agenda
- join one of our **LinkedIn Groups** to stay in touch with fellow community and stakeholder engagement professionals. Or follow us on **Facebook, Twitter** or **Instagram**

# How we support you

Belong to a vast community of engagement professionals across Australia and New Zealand, and the globe.

Be recognised, build your brand and reputation for your career and organisation development.

Be equipped through continuous education with current knowledge, skills and confidence in engagement best practice to support the achievement of project outcomes.

Provide opportunities to present papers at seminars and conferences and contribute to IAP2A publications.

Create professional connections, collaborate with peers and develop insights to stay ahead of the game.

Gain access quickly and easily to the right tools, resources and proven methods.

# How to maximise your membership

- ✓ Start connecting – attend, start-up, volunteer, speak, host or sponsor Local Network events held across Australasia.
- ✓ Enrol in training, attend a webinar or conference at member discount rates to enrich your knowledge or develop your team.
- ✓ Access a growing library of resources, tools, case studies, research and templates.
- ✓ Contribute to the practice and collaborate with peers by joining an IAP2 committee in areas of research, professional development and advocacy.
- ✓ Join the conversation on Facebook, LinkedIn, Instagram and Twitter.
- ✓ Connect and learn with peers through IAP2 member-only opportunities.
- ✓ Promote your professional brand, build awareness and be recognised – through showcasing your expertise with IAP2A post-nominals, entering the Core Values Awards, contribute a case study or article for publication or sponsor an activity.
- ✓ Advance your career or build the right team with access to our career listings for engagement professionals and specialists.
- ✓ Be an IAP2 advisor and lead the practice – as a board member, licensed trainer, guest speaker or partner.

\*Corporate Member discount on registration fees for your staff across the whole of our training and events program
